

July 2020

Thank you, thank you!

Thank you to everyone involved in planting and maintaining the wharf gardens and all the planters around the village. They look fabulous as well as bright and cheerful. Thank you for all your hard work!

Thank You

A HUGE thank you to all the key workers in the village who have been working throughout lockdown and who are still working, keeping us going through this tough time. Your hard work is appreciated by everyone!

Thank you!

Stay 2m apart!

Thank you!

Thank you to all the businesses who are working hard to provide a safe service for us all. This is new territory for everyone, so please be patient and bear with them while they find their feet in this new way of working.

Everyone - businesses, local residents and visitors need to work together to enable us all to stay safe, so please be kind to each other and we urge everyone to talk to each other to find a solution if there is a problem.

A Reminder

Please remember that your GP's and other health professionals are still working as normal, so please do not hesitate to seek medical help if you need it.

With the new recommendations about wearing face masks where it is not possible to socially-distance, please note that reusable masks are available at the Post Office and the Village Stores. These masks are free, though donations are encouraged, to allow more fabric to be bought. Any money left over will be donated to local hospitals.

Would you like to help make a
Memorial Quilt
For our local community?
Theme: Love and Hope

The idea is that we each make a square 'block' which will be sewn together to make a quilt that will be donated to the community and displayed somewhere prominent.

What size? 6 inch square design with a little extra round the edge to enable us to sew all the blocks together, giving an overall size of 6.5 - 7 inches square.

You can make a block however you want - use a sewing machine, hand-sew, bondaweb, patchwork, applique or you could even draw or paint a design with fabric pens and paints!

Please wash whatever fabric you use before you start—this will ensure that when the final quilt gets washed, it will shrink evenly and not distort.

If you would like a piece of material to paint on, please get in touch and when you have completed your block, let us know and we'll arrange collection.

Closing date: 31st August
