Funding for community projects

Snowdonia National Park Community Projects Fund can provide support of £100 - £500 for projects run by voluntary groups that demonstrate health & wellbeing objectives and outcomes, so if you would like funding for a project, please contact the clerk for more information.

Remembering Elaine Foote

Sadly Elaine passed away very suddenly on October 17th. She was the last president of the Women's Institute in Aberdyfi which closed after 93 years. She was also an active member of the Glee Club choir and always an enthusiastic member of the pantomime. She was a happy and lively person who will be very much missed.

Marathon Achievement!

Anyone out and about in the pouring rain on Sunday October 4th on the loop between Tywyn, Bryn-crug, Craig y Deryn and Llanegryn may have seen Doris O'Keefe running the Virtual London Marathon for the charity Sense – a charity that helps children and adults living with complex disabilities. The London Marathon was postponed from last April to October 4th and because of current circumstance everyone had to run in their local area rather than congregate in London. On October 4th there were thousands of runners participating in the Virtual London Marathon all over the world. It was tough going but I had amazing support from my friends in Aberdyfi Rowing Club and also Sense is a very worthwhile charity so that kept me going. Although the atmosphere from London was missing and despite horrendous conditions at first, it was great to be running in an area I know well and to have support from my friends- plus quite a few sheep and cows!

Remembrance Day

Sunday 8th November, 11am outside St Peter's Church:

ONLY wreath layers to attend – NO followers please

Masks to be worn & social distancing to be maintained at all times. Order of service:

- 2 minute's silence at 1100
- Roll call
- Laying of wreaths
- A brief prayer
- Dispersal of participants

Any question or if anyone requires a wooden cross, please contact David Richardson on 767577.

There are now Poppy collection boxes in the Post Office, Aberdovey Butchers, Aberdovey Village Stores, Dovey Marine & Fatface. You can also support the poppy appeal by buying poppy lapel pins, badges and other items at www.poppysshop.org.

Rubbish disposal

A reminder to please ensure that rubbish is disposed of in the correct bins. Over the summer many holiday-makers put their rubbish in bins that were not for their accommodation, which led to overflowing bins that were unsightly and unhygienic. This is especially important at this time. Thank you.

Village Planting

A big THANK YOU to everyone who has helped with the 2020 Village Planting.

Once lockdown kicked in we had to find a way to safely empty, plant-up and water/maintain all the tubs throughout the village. Between us we came up with the perfect plan.....Everyone who volunteered to help was allocated their own specific tubs to plant up and look after. The result a colourful display for everyone to enjoy.

Sincere thanks to :

Diana Osbourne, Judy Bloxidge, Abby Waldock, Alun Stedman, Bob & Kath Hall, Libby Andrews, Keith & Margaret MacGregor-Bowron, John & Megan Reynolds, Guy & Carla Shaw, David Gardiner, Mark & Kate Bygot, Gareth & Gaenor Pugh, Doris O'Keefe, Sandra Prescott, Kim Astley, Stephen & Vicky Davies, Celia Jones and David Rynn and his 'Church Team'

Many thanks also to The Aberdovey Advertising & Improvements Committee for their continued support for this project.
