Think you have Coronavirus?

If you have symptoms and need to get a test, go online to nhs.uk and follow the link
'find out about coronavirus'
or
phone 119 to arrange to have a test.

Praise for our clean beaches!

Recently we have had some correspondence from people who have visited Aberdyfi over the summer and they have congratulated us on our lovely clean beaches! They asked us to thank everyone who has given up their time to help clean the beaches and make Aberdyfi the wonderful place it is to visit.

Well done and
thank you everyone!

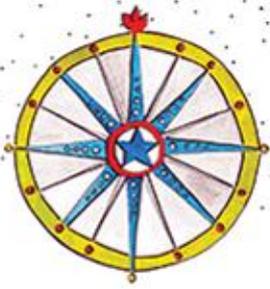

Vacancy

The Aberdyfi Advertising and Improvements Committee (AA&I) is seeking someone to fill the role of Secretary and Treasurer.

AA&I's objectives are to support the advertising and promotion of the village and its environs. To carry out or assist improvements to the village (in the widest use of the word, be they physical, social, economic or cultural) and to support events and activities that develop the promotion and improvement of the village.

If you are interested in the role, please contact the Clerk or email contact.aai@dyfi.com for more information.

Memorial Benches

We have now purchased 3 memorial benches and are ready to order 1 more. These benches will be placed along Seaview Terrace for the enjoyment of everyone and will eventually replace the ones with concrete ends. If anyone would like a memorial bench for a loved one or to commemorate an event, please contact the Clerk for more details.

We are also planning on replacing the benches in the playground by the Fire Station and if you would like to sponsor a bench there, please contact the Clerk.

Poppy Appeal & Services

This year there will be no house to house collections and no static collections in the village and it is unlikely we will all be able to buy our usual poppies locally. However, you can still support the poppy appeal by buying poppy lapel pins, badges and other items at www.poppymshop.org.

We will let you know arrangements for memorial services in the next issue of Rushlight but it is likely that they will be very scaled down this year. If any businesses would like to order wreaths, please contact David Richardson on 767577.

Wildlife Garden

We have been lucky enough to have been involved in a project with Keep Wales Tidy to install a wildlife garden and it was installed at the end of September in the corner of the car park at the Neuadd Dyfi. It is only small, but it is hoped that other areas in the village will be improved to encourage wildlife and if you would like to be involved, please contact the Clerk.

New defibrillators for the village

Great news! New defibrillators have been purchased for the village and will shortly be installed at the Caravan Park, Neuadd Dyfi and the Institute. These are in addition to the defibrillators already installed at the Golf Club and the Tourist Information Centre, giving the village a total of 6 defibrillators. (One is out on the golf course itself). It is hoped that there will be some defibrillator training available when conditions allow.

If you would like to advertise any Aberdyfi fundraising activities, coffee mornings, concerts, etc. please contact the Clerk
