

Cycle Path survey We need your help!

March 2021

If you would like to see the cycle path between Aberdyfi and Tywyn finished, then please go to this website and add your voice. Simply click on the map somewhere between Tywyn and Aberdyfi and answer a few questions. The more people who comment on the map, the more likely Gwynedd Council will get the funding to complete the cycle path as far as the cemetery. Thank you!

<https://gwynedd.commonplace.is>

There is another project underway to make a cycle path between the cemetery and Aberdyfi, though this is not included in the Gwynedd survey. Talks are currently being held with landowners and Network Rail to move this forward.

New goalposts & seat!

In the near future new goalposts will be installed in the children's playing field next to the Neuadd Dyfi. There will be 2 goalposts instead of the single one there at present so you will be able to have a proper game of football!

Recently, the Community Council received a Play Grant from the Welsh Assembly so you will see some new accessible seating in the playground soon as well.

New Defibrillator at TIC

We are pleased to say that a new defibrillator has been installed at the Tourist Information Centre after the last one was found to be faulty.

Election Staff required

Staff are required to help with the Senedd elections on Thursday 6th May. Please see this website or email if you are interested.

gorsafoeddd@gwynedd.llyw.cymru

Have your say & get involved

We all have a right to be involved in how things are run in our communities and this website gives information on how you can be more involved in that process, whether through voting in elections, signing petitions or standing for election.

Defibrillator locations

There are also 2 on the golf course itself.

RNLI Shop Volunteers needed

Aberdyfi RNLI are looking for a new shop manager and shop volunteers – could you help? If so, see:

<https://volunteering.rnli.org/vacancy/volunteer-shop-manager-aberdovey-aberdyfi-441126.html>

<https://volunteering.rnli.org/vacancy/shop-volunteers-aberdovey-aberdyfi-441132.html>

Copperhill St. Road Closure

Copperhill Street will be closed opposite No. 9 & 10 Tai Newyddion from 19th April for up to 3 months, though it is hoped the work will take no longer than 11 days. Diversions will be in place.

2nd home increase in premium

The Community Council would like to let you know that they were not in favour of the recent increase in premium for council tax on second homes and empty properties in Aberdyfi and spoke out against the move. We have been told that the increase has not been made statutory and will be discussed again next year.

Dog Poo

We are still receiving a lot of complaints about the amount of dog poo being left around the village. Bags are available for FREE around the village and from the clerk – PLEASE clean up after your dog and encourage others to do the same. Thank you!

Community Needs Survey

What is your vision for the future of Aberdyfi? In the next few months we will be conducting a community needs survey and it is our chance as a community to have a say in the future of the village. If there are any issues which you would like to see included in the survey, please contact the clerk ASAP, before 19th April.

More information about the survey will be posted nearer the time.

Beach Wheelchairs

The AA&I are currently discussing whether it would be a good addition to our community to have a 'beach wheelchair', to enable people of all abilities to be able to get onto the beach. The wheelchair would need to be kept somewhere safe and brought out daily during the season. Does anyone have any ideas of how this could be managed, and if so please could you let the AA&I know please? Thank you. Contact brian.aai@dyfi.com
