Bridge works

We have been told that the next round of works on the Barmouth Bridge is going to take place between 12th September and 12th December this year, so buses will operate instead of trains during this time.

We are expecting the new bridge at Picnic Island to be installed sometime during this time as well, which is great news!

Join the Aberdovey Beach Buddies, as we head to Aberdovey Beach for our second May beach clean-up.

Our waterways may look pristine and unspoiled from the shore, but they are struggling. You'll get the chance to meet like-minded people and together you can help make a difference to our coastline and the community.

- * Spring Bank Holiday Mon 31 May, 2021.
- * RNLI Aberdovey Lifeboat Station (On the beach)
- * 11 am – 12 / 12.30pm

What to bring:

- *Water in a reusable water bottle
- *Wear closed-in shoes
- *If you have them, please bring along reusable gloves.
- *If you are feeling unwell on the day, please do not attend.
- **Please note we will be implementing COVID Safe rules for all participants.

Everyone is welcome, the more the merrier. 😊

Tywyn Health Centre

The Health Centre would like to apologise for the recent phone problems and would like to assure everyone that this has now been solved. Covid-19 vaccination clinics are going very well and it is hoped that they will be finished by 17th July. Any 18-39 year-olds are asked to go to one of the mass vaccination centres and should call 03000 841 011 / 012. Thank you for your patience.

May 2021

Tywyn Leisure centre is open!

Great news!! Our local leisure centre is open again and yes, even the swimming pool! Please see their website or give them a ring on 711763.

Burma Road hedge

Did you know a wildlife hedge has been planted along the Burma road? It is still very young but doing well. It may look a little unkempt but wildlife does not like tidy verges, gardens, or hedges. Every green plant is a home to some form of wildlife. There are nettles growing in among the new hedge plants but they are not doing them any harm and are in fact great **wildlife** attractors: caterpillars of the small tortoiseshell and peacock butterflies use them as food plants; ladybirds feast on the aphids that shelter among them; and seed-eating birds enjoy their autumn spoils. In time the hedge will thicken and shade out the nettles and a new generation of wildlife species will take over.

So remember when your garden looks a little untidy, don't forget to leave a few areas for the insects and birds.

The Wildlife & Biodiversity Group.

Did You Know?

Have you ever wondered what happens to the money that is collected from the car park by the Neuadd Dyfi? It is maintained and run by the Community Council and half the money is given to the Neuadd Dyfi to help with maintenance and upkeep of the hall. The other half has been spent on things like the plants and equipment for the wharf gardens and the new goalposts which will soon be installed in the playing field.

A487

New Dyfi Bridge

Project Bulletin: May 2021

GRIFFITHS

civil engineering and construction

Griffiths has been appointed as the Main Contractor by the Welsh Government to construct the A487 New Dyfi Bridge.

We feel extremely privileged to have been awarded this contract and are very much looking forward to beginning our works, as well as meeting the residents and the wider community of Machynlleth.

Works will begin onsite in May 2021 and are anticipated to be completed by Summer 2023.

Over the next couple of months, we will be mobilising our work force, setting up our site compound and undertaking site clearance works. Construction of the new bridge will commence in August 2021.

**Public Liaison Officer,
Gail Jones**

Gail Jones has been appointed as the schemes dedicated Public Liaison Officer. If you have any questions relating to the project, Gail's contact details can be found at the foot of this bulletin.

Would you like to join our A487 Dyfi Bridge Project team?

As part of our commitment to provide employment opportunities to local people, we are looking to recruit a full-time Administrative Assistant to support our Team from our Machynlleth office. You must be able to use Microsoft Word and Excel and be a fluent Welsh speaker. Working hours can be flexible.

For further information please contact our Office Manager Michelle Jones on 01654 702 703 / 07812 003 012 Or via email at michelle.jones@alungriffiths.co.uk

Keep up to date with the construction of the New Dyfi Bridge

You can keep up to date with the progress of our works via the schemes dedicated webpage www.community.alungriffiths.co.uk/dyfibridge Or by following us on Twitter [@alungriffiths_](https://twitter.com/alungriffiths)

Alternatively if you would like to receive project newsletters and updates direct to your email address you can sign up to our mailing list here:
