

Community Needs Survey

Hopefully all residents have had a letter from the Rural Housing Enablers, asking you to fill in a community needs survey. This survey is not just about housing, it is about all aspects of the community, so please take the time to fill it in and have your say on what you want to see happen in the village – is there more that can be done with the Neuadd Dyfi to allow more events? Is there more that can be done for the wildlife? How could transport be improved in the village? Would you like to see more social activities? You can put forward your ideas on these issues and more in the survey.

Once the results have been compiled, we will hold events to discuss the results to decide what the needs of the community are and what we as a community can do about it.

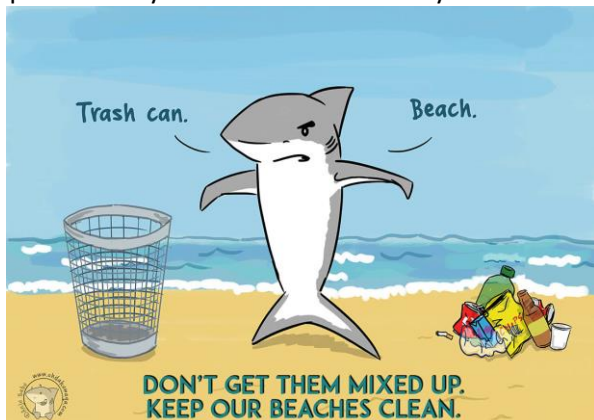

The survey can be accessed online or it can be done over the phone if you prefer. The closing date is soon, so please fill it in NOW!

Thank you for your views!

Thank you Beach Buddies!

We would like to say a very big thank you to the Beach Buddie and everyone who has been involved in the beach cleaning events. The beach is looking fabulous and we appreciate all your hard work – thank you!

July 2021

New Playground Equipment

We are very keen to replace a lot of the equipment in the playground to provide a more adventurous and inspiring play area for children, but we have been told it will cost about £80,000! (half of that cost will be the safety matting!) We have set up a GoFundMe appeal to collect donations and we will apply for grants as well as contributions from the Council and AA&I. If you would like to donate, please go to <https://gofund.me/6ffb54f1> or cheques can be dropped at the Council Office, payable to Aberdyfi Community Council and marked on the back for playground appeal. Thank you!

Aberdyfi Art Society Exhibition

There is still time to catch this exhibition!
Aberdyfi Art Society will be holding their Annual Exhibition at the:
Neuadd Dyfi
28th July - 4th August
10am - 6pm
Admission free! All welcome

Thank you Council workers!

We would like to say a huge thank you to the refuse collectors who have been working tirelessly to keep Aberdyfi look lovely, despite the many problems caused by people not disposing of their rubbish considerately.

I'm sure we speak on behalf of everyone in saying we really appreciate all your hard work – thank you!

The Café de Paris

A wonderful evening was spent at the Neuadd Dyfi on Saturday 24th July with correct and strict Covid restrictions, tables and chairs were laid out separately with red and white gingham tablecloths, nightlights and flowers, baskets of French cheese, French bread and French wine on each table.

The Chanteuse was Stephanie Windsor-Lewis (mezzo-soprano) in a slightly different role from opera singing and playing the accordion together with Nick from Breton, France, playing the cello. It was a talented and professional performance all in French. You could easily imagine you were in a café on Montmartre, Paris, and you felt you would want to dance in between the tables. (but not possible due to Covid!). I came away singing "La Vie En Rose" in my head.

The evening was organised by Des George and Stephanie and was a sell-out (it was also streamed live online). It was so well done and much enjoyed – many thanks.

Jackie Windsor-Lewis

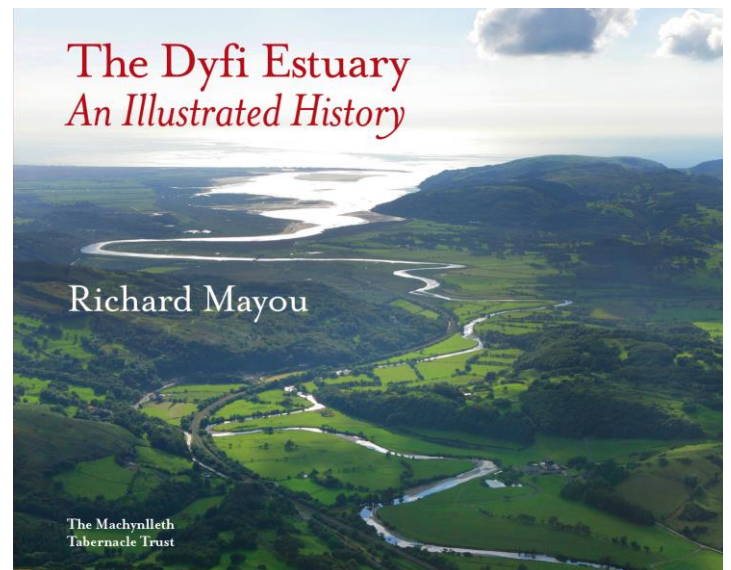

Rubbish problems

A reminder to everyone to dispose of their rubbish responsibly and help to keep Aberdyfi clean and tidy for us all to enjoy.

New book about the Dyfi estuary

The Dyfi Estuary – An Illustrated History will be published in mid-August at a price of £18 and will be available in local shops. Pre-orders can be made at www.moma.cymru or by contacting 01654 703355. The book will be mailed (postage included) as soon as copies are available.

All proceeds will go to support Tabernacle and MOMA projects.
