

Wharf Development Project

The contractors have started creating their works site, putting up hoarding, and next week at least 14 large lorries will deliver steel and other materials for the work.

Key dates:

Mon 12th Sept: Work starts

Thurs 22nd Sept: Pile installation starts for approx. 6 weeks

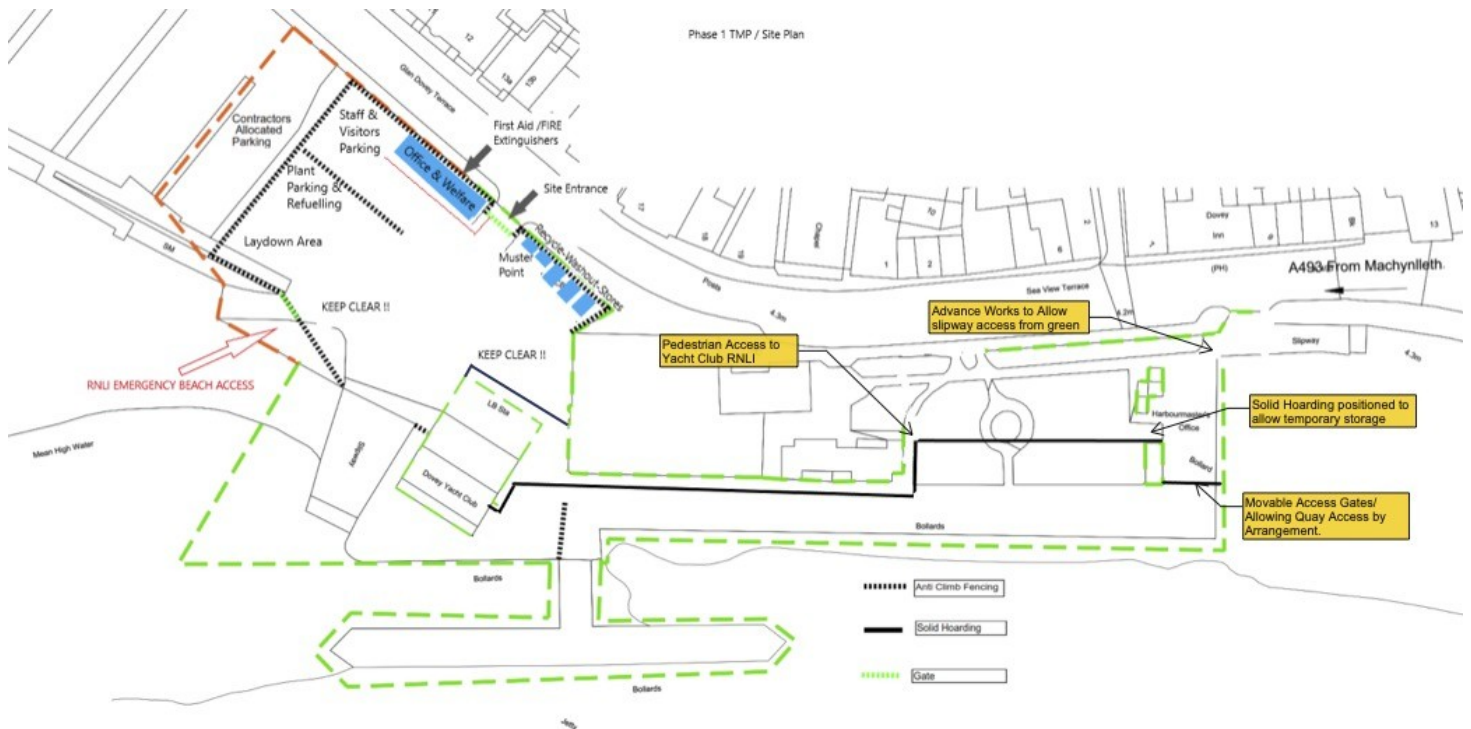

May 2023: Anticipated project finish

There will be a lot of disruption over the first couple of months while the piles are being put in, but once this is done, smaller plant will be used for the rest of the work, so noise and disruption will be much less.

Work will be from approx. 7.30am – 6pm, Mon-Fri and 7.30pm-5pm Saturday.

August 2022

There will be no public access to the jetty during the project, though the fishermen and Outward Bound will still have access. The boats that are being stored in the main car park will have direct access to the beach and estuary from the car park, while the boats stored on the wharf gardens will be launching from Church Bay. Obviously this project will impact us all, but it is vital it is done as without it, the yacht club and the whole of the wharf area will fall into the sea. Specific queries about the project should be addressed to: ceiaberdyfi@gwynedd.llyw.cymru

Literary Institute Vacancies

SECRETARY/ TREASURER – experience of clerical, computer and financial skills would be an advantage but help and advice would always be available from Committee members. This post is currently an honorary one with an honorarium being considered by the Committee in November and if agreed is paid in early December.

CARETAKER /CLEANER – this vacancy could be undertaken by one person or split between two. As well as normal caretaking and cleaning duties the applicant would be expected to open and close the Reading Room on a daily basis (except Sundays), collect the newspapers from the Post Office, set up the Reading Room for any Room Hire bookings (putting out tables and chairs as necessary) and prepare the Snooker tables (advice if needed would be given by the Chairman or the Games Secretary). Payment is made on a four weekly basis.

Availability to commence duties as soon as possible for both vacancies would be appreciated.
