## Help for Households

The government has put together a one-stop-shop for finding what help is out there for households this winter. We can all help each other too – if you have a car, why not offer a neighbour a lift, or car share? If you know of anyone who is struggling to get out because they don't have transport, please let the council know, as we are trying to establish if there is a need for something like a Barbara Bus.

## Neuadd Dyfi roof

Work has started but has been slightly delayed as the roofing panels are currently stuck in customs in Germany, a victim of Brexit! It is hoped that they will be on their way to the Neuadd next week.

## Advent windows

It's that time of year again! Anyone wishing to take part should contact Alison Sayes on 07718046343. I am aware our energy bills are set to rise this winter and would not expect people taking part to have their Advent Window lit up for long hours... the pleasure of seeking the different Windows around the village will still be uplifting to us all. Thanks, Alison

Please remember that your local pharmacy can help with a lot of minor ailments such as aches and pains, sore throat, coughs, colds, flu, earache, cystitis, skin rashes, and teething. If you have any problems accessing healthcare, eg. GPs and wish to complain, Betsi Cadwaladr can be contacted on: [BCU.ComplaintsTeam@Wales.nhs.uk](mailto:BCU.ComplaintsTeam@Wales.nhs.uk) The Complaints Team, Ysbyty Gwynedd, Bangor LL57 2PW Tel: 03000 851234

## Bin problems

A reminder to please keep your bins on your own property, not on the street. We have seen a large number of bins being left out on the highways recently, which is obstructing both roads and pavements, causing problems for everyone. Fixed penalties can be issued for waste that 'causes an obstruction to neighbours' or 'restricts access to the pavement or street', so please keep them within your own boundaries until the night before collection

## Welcome warm Space
