## Neuadd Dyfi Roof

The new roof is now in place and the solar panels are being connected. There is a deep covering of insulation under the new roof as well, so hopefully the hall will be both warmer and quieter

## Merry Christmas

The Community Council would like to wish you all a Merry Christmas and say a massive thank you to all the volunteers who have worked so hard this year. The village would not be the same without you. Thank you.

## New Year Fireworks

New Year fireworks are back! Organised by the AA&I. Unfortunately there will be no tree on the wharf this year, but it is hoped to put some smaller trees somewhere else in the village.

## Wharf development

The wharf development work is going well and it is hoped to be finished in early April. If anyone has any questions, please email [ceiaberdyfi@gwynedd.llyw.cymru](mailto:ceiaberdyfi@gwynedd.llyw.cymru)

## Remembrance Sunday

A huge thank you to everyone involved in making the Remembrance Sunday service such a success. A great turn-out with fabulous weather once again. Thank you everyone.

## Picnic Island Bridge

It's in and open to pedestrians! A big thank you to the harbourmaster for clearing the island which had become completely overgrown, allowing the bridge to be used as soon as possible after it was installed.

## Community Lunch

A reminder that the Aberdyfi Community Christmas Lunch is on Friday Dec. 9th at 12.30 pm in the Neuadd Dyfi.

We are sorry that we cannot take any more bookings as we are completely full. However, if you would like to be placed on a reservation list in the event of cancellations, please ring Kathy Rynn on 767935

## Advent windows

The advent season is upon us and as in the past two years here in Aberdyfi we count those days down with Aberdyfi Advent Windows. Twenty four households will take it in their turn to reveal their Window and provide a colourful display around our village this December. Huge thanks to all who are so willingly taking part, bringing light and cheer to us all.
