Vandalism

We are very sad to report that the Christmas tree on the wharf was vandalised recently and the lights were broken. Other items on the wharf were also vandalised at the same time. The incident has been reported to the police and CCTV footage of the perpetrators has been passed to them.

Various local and national businesses generously offered to donate lights and they have now been replaced. The Community Council would like to thank all the businesses and residents who offered support – we are grateful to have such a supportive community – thank you!

Cycle path

Gwynedd Council have submitted a planning application for the cycle path between Caethle and the cemetery and will be applying for funding from the Active Travel scheme of the Welsh Government to complete the project. A lot of work has been done to get to this stage so we hope they are successful in obtaining funding. The application can be seen on the National Park website, number NP5/50/647B. The project to do the final length of the cycle path is also moving forward steadily.

Fireworks

The fireworks traditionally held at midnight on New Year's Eve will take place once again on the beach this year. These are organised and paid for by the Aberdyfi Advertising and Improvements committee (AA&I) and any donations collected will go towards various projects in the village.

Nurses recruited for Tywyn

We have been told that 2 new nurses have been recruited for Tywyn who will start work early next year.

*Merry Christmas &
Happy New Year!*

We need you!

Sometime in February (date to be confirmed) we are going to do some work in the main car park to tidy and plant up the dividers and hope that some of you will come and give us a hand! If anyone has any plants that are doing particularly well in your garden, please let the clerk know! We will be buying plants suited to the climate, but donations also welcome!

Tractor Run

The inaugural Tractor Run took place on the 17th December and was an amazing spectacle. It raised over £7,000 for the Air Ambulance and DPJ Foundation, a charity providing mental health support to the farming community. Congratulations to everyone involved in organising and taking part in the event – we hope it becomes an annual event!
