## Campervan parking sites

A reminder that campervans and motorhomes are not allowed to stay overnight in any public car park in Parc Eryri, but a map has been produced with details of where they are welcome overnight. Copies of the map can be found in the Tourist Information Centre and we have a few in the Council Office. The interactive map can also be viewed on the Parc Eryri website at: <https://snowdonia.gov.wales/visit/plan-your-visit/campervans-and-motorhomes/>

## Parking Payment Scam

We have been made aware of several people being scammed while using the PayByPhone app to pay for their parking in the main car park in the village. Gwynedd Council have been informed and people are being asked to be vigilant and report any fraud to their bank and the police, as well as Gwynedd Council. PayByPhone have information on their website on how to avoid being scammed: <https://support.paybyphone.com/hc/en-001/articles/13267916817553-Beware-of-fraudulent-sites-masquerading-as-PayByPhone>

Gwynedd Council plan to put some of this information close to the parking machines in the car park.

Please spread the word!

## Community meeting

The annual community meeting was held recently with presentations from the Community Council, AA&I, Neuadd Dyfi and Aberdyfi Community Projects Group. We are aware a lot of time was taken up with Article 4 discussions, so if there is anything you weren't able to ask / discuss during the meeting, please contact the clerk at the Community Council.

## Article 4 Planning proposals

Parc Eryri are proposing changes to planning regulations and are consulting on the issue at the moment. The proposal is that planning permission will be needed in order to change the use of a primary residence to a second home or holiday let. All residents should have had a letter from Parc Eryri, but if not, please contact the clerk who can provide a copy or find the information, including the consultation form, on the Parc Eryri website using the link below. The consultation is open until 5pm May 24<sup>th</sup>.

## Rushlight mailing list

If you would like to receive Rushlight direct by email, please contact the Clerk. We are trying to cut down on the amount of printing and paper we use to help the environment, so by signing up to receive it electronically, you can help the environment too!

## New Water-bottle filling station

The Community Council are thrilled to announce that the long-awaited water-bottle filling station and drinking fountain has been installed by the Tourist Information Centre! This will hopefully help to reduce the amount of single-use plastic and litter in the village.
